

Author Submission Guidelines

Thank you for considering Ahmadu Bello University Press Ltd. for your work. These guidelines describe how to prepare and submit a manuscript.

1. What we publish

Scholarly monographs, textbooks, edited volumes, reference works (including dictionaries), academic journals and institutional periodicals.

2. Preparing your manuscript

- * Submit the complete text as a Microsoft Word (.docx) file, double-spaced, with numbered pages.
- * Include a title page, an abstract or synopsis of 150-300 words, a table of contents and a list of tables and figures.
- * Use one consistent referencing style (APA 7th, OSCOLA for law, or the style used by your discipline) throughout.
- * Supply figures as separate high-resolution files (300 dpi minimum) with captions and source credits.
- * Obtain written permission for any third-party material you reproduce.

3. Submitting

Email your manuscript with a short cover letter (author details, affiliation, a summary of the work and its intended readership) to the address on our Contact page. You will receive an acknowledgement.

4. Review and decision

Submissions are assessed for fit and quality and, where appropriate, sent for independent peer review. We will communicate the outcome and any requested revisions.

5. Production

Accepted works go through copy-editing, typesetting, proofs for author approval, printing and binding.
